

# American Yogurt

a new healthy choice that stays

# fresher. longer!

**New!**

**The newest addition to our line-up...**

Well folks, we've done it again; we've innovated a great-tasting healthy yogurt that is especially formulated to have a surprisingly long shelf life. Our new American-style yogurt stays fresh longer by being the only yogurt that is shipped and stored frozen, then thawed to be served. That means you control the expiration date. This is an entirely new way to think about yogurt. You'll be proud to offer it and will have no problem keeping it fresh.
